

A Café with Soul

A modern vegetarian café where India comes to the table.

Rooted in the flavours of India and inspired by the way we have always eaten - together - SIA brings regional favourites, street food, comforting classics and contemporary café creations under one roof.

From the first cup of filter coffee to a leisurely meal shared around the table, every dish is made to feel familiar, yet worth discovering.

We are **pure vegetarian cafe**, and we believe in keeping food honest - quality ingredients, thoughtful preparation and flavours that speak for themselves.

Our inspiration is simple:
Food is culture | Food is memory
Food is connection | Food is God
